Informational: Late Season Update

- Field work will be wrapping in approx. 2 weeks
- Culex numbers have dropped off dramatically with the cooler temperatures.
- Contractor will share 'End of Year' report shortly. Will send to Bruce, who will then disseminate the report to board members.

Discussion: Public information efforts over the next year

- We will review the current content on the website and update as needed.
- Will develop a "Q&A" section on the website with the help of Allen & Cristy
- Remove link to District Facebook page, and work on getting this page shut down.
